## **Union Institute & University Offers an Immediate Solution for Displaced Adult Students**

CINCINNATI-OH - Union Institute & University is a solution for adult students searching for an alternative to continue their degree pathway due to recent closings amongst community education providers. With a fall class session starting on October 23, Union can serve as an immediate solution for those students who want to pick-up where they left off in their education path.

Kimbrea Browning, Vice President of Enrollment Management noted, “Union offers a personal accord that most schools aren’t able to incorporate into their enrollment process. Students deserve one-on-one attention to find the education path that suits their needs.”

In addition, Union is transfer friendly. Browning added, “We value the experience students bring to our unique learning platform by providing a generous transfer credit policy.”

Union is here to serve adult learners through the transfer process in the following ways:

- **FREE application** – Union’s application process is complimentary, never a charge to apply.
- **Transfer friendly** – Union is transfer friendly (up to 90 credit hours, PLUS free transfer credit review).
- **Personal university** – Union is known for its one-to-one attention to students. We have over 400+ faculty & staff for our adult learners in ways other universities can’t match.

- Displacement Scholarship - \$100 discount per credit hour up to a maximum of \$3,000 on the condition that students maintain continuous enrollment in good standing with UI&U.

Since 1964, Union Institute & University has specialized in adult education by offering busy, highly motivated adults the one-on-one attention that's so hard to come by in their time-strapped lives. Union places students at the center of their own education. We like to say we are hi-tech and hi-touch.

Union's National Dean for Undergraduate Programs, Peter Caccavari, Ph.D., added, "Union offers adult students degrees taught by practioners in their fields. Our programs are designed to have students graduate with skills in communication, critical thinking, social responsibility, and global perspectives. Union graduates are people who can make their communities a better place."

Over 15,500 alumni have completed their degrees at Union while juggling multiple commitments, including the balancing act of family and career. For example, read how alumna [Portia Simpson Miller, Jamaica's first female Prime Minister](#), completed her degree while holding office or how [Paula Royster](#), a two-time Fulbright winner is trying to right the wrongs of African diaspora.

### **About Union Institute & University**

Union Institute & University is a non-profit, regionally accredited university specializing in providing quality higher education degrees for adults nationwide. Founded in 1964, Union's academic programs and services are the result of more than five decades of identifying and refining ways to structure and deliver education to meet the needs of adults. Distinguished as the pioneer in adult education, Union perfected the concepts now common in higher education such as the hybrid model, a blend of online and traditional classroom instruction, interdisciplinary studies, and student centered education with socially relevant and applicable learning outcomes in its undergraduate, master's and doctoral degree programs. The university is guided by its core mission to educate highly motivated adults who seek academic programs to engage, enlighten, and empower them to pursue professional goals and a lifetime of learning, service, and social responsibility.

Union is a national university with five academic centers located in: Ohio, Florida, California, and Vermont.
