“The ultimate student experience is a guiding principle of the Art Academy of Cincinnati. Having your college education disrupted can be very difficult for a student of any age. AAC is extending our services to the students who may be affected by ITT’s decision to close all of their Technical Institute campuses”, says John Sullivan, president of Art Academy of Cincinnati (AAC)

“The AAC Associate Degree in Graphic Design may be very suitable for ITT students”, says Jamie Owens, Director Enrollment Services. Each ITT transfer student will be given individual and personal attention. If the student needs a portfolio, AAC will help them create it. Their transcripts will be evaluated by the Art Academy Department Chairs and the maximum amount of transfer credit determined on an individual basis. AAC will not charge any fees to counsel, evaluate and assess ITT transfer students.

Art Academy of Cincinnati, established in 1869, is an independent college of art and design. Degrees granted are the Associate of Science in Graphic Design; the Bachelor of Fine Arts in Design, Illustration, Painting and Drawing, Photography, Print Media, and Sculpture; and the Master of Arts in Art Education.

Accredited by the National Association of Schools of Art and Design, Art Academy is a charter member of NASAD. The Art Academy is accredited by the Higher Learning Commission and is a charter member of the Association of Independent Colleges of Art and Design, and the Greater Cincinnati Consortium of Colleges and Universities.

ITT students are encouraged to contact Jamie Owens at jowens@artacademy.edu or 513-562-8754.
